

UNFAIR TRADE?

Prostitution and the sex industry
in Scotland

Tolerance zones – in whose back yard?
International sex trade – affecting local
communities?
Public policy – who is being protected?

Everyone, young and old, is welcome to come
along to this free public seminar and have
a say. After short presentations from our
speakers, everyone will get the chance to share
their views, ideas and experiences.

No need to book, just turn up. If you have
any specific requirements, for example, sign
language support, please let us know at least a
week in advance. For more information, phone
